Mr. Daniel S. Anthony  
92 Mt. Vernon Place  
Newark 6, New Jersey

Dear Dan:

I have been offered the position of Probation Officer for the County of Essex. After due consideration I feel that it is in my best interest that I take this position which affords me a wealth of experience not only in the human relations aspect, but the social service aspect as well.

My starting date with the County Probation Department will be May 7th. Since I do not have permanent Civil Service status, I feel that it is not necessary for me to give a month's notice. Therefore, I hope the 3 weeks that I am giving you now will be ample time to get a replacement.

I cannot possibly tell you how indebted I am to you, to Commission Chairman Al Mark and to Mayor Carlin for giving me this splendid opportunity to get acquainted with Newark, the City Government and to be under the fine tutelage of dedicated servants like you and Al Mark. I have been on the Commission for nine months; but my experiences transcend this seemingly short time. I will be ever indebted to the Mayor's Commission which has been not only a fine training ground but also a proving ground for me. I have but one regret and that is I did not have a chance to work for a longer period of time with you. I believe the added experience of your background and habits might have helped me even more.

Sincerely,

C. J. H.

Charles J. Hayes,
